Sir:

**PETITION TO REVIVE AN
UNINTENTIONALLY ABANDONED APPLICATION UNDER 37 C.F.R. §1.137(b)**

A Notice of Allowability dated October 18, 2007 was issued by the United States Patent and Trademark Office (PTO) in connection with this application. Payment of the issue fee and publication fee was submitted on January 18, 2008, in response to the October 18, 2007 Notice of Allowability. However, corrected drawings for Figures 5 and 6, through an inadvertent clerical error, was not filed by the January 18, 2008 due date. Accordingly, the application became unintentionally abandoned as of January 19, 2008.

A Notice of Abandonment dated February 13, 2008 was mailed by the Patent Office and received by applicant's attorneys of record.

This Petition is submitted to revive the above-identified application under 37 C.F.R. §1.137(b).

Requirements of Petition to Revive

A petition under 37 C.F.R. §1.137(b) must be accompanied by:

Junji NISHIDA, S.N. 10/583,264
Page 2

Dkt. No. 2271/76466

- (1) the required reply, unless it has been previously filed;
- (2) the petition fee set forth in 37 C.F.R. §1.17(m);
- (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional; and
- (4) any terminal disclaimer (and fee as set forth in §120(d)) required pursuant to 37 C.F.R. §1.137 (c) for a utility application filed before June 8, 1995.

This Petition is being submitted concurrently with replacement drawings for Figures 5 and 6 (attached hereto as Exhibit A) in response to the October 18, 2007 Notice of Allowability. The replacement drawings do not introduce new matter and merely add the label of "Prior Art" to Figures 5 and 6.

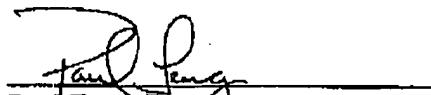

The fee for a Petition under 37 C.F.R. §1.137(b) as set forth in 37 C.F.R. §1.17(m) is \$1,540.00 and authorization is hereby given to charge such fee, as well as any other required fees in connection with this Petition, to Deposit Account No. 03-3125.

The entire delay in filing the required reply, i.e. corrected drawings in response to the October 18, 2007 Notice of Allowability, until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b), was unintentional.

Because this application was filed after June 8, 1995, 37 C.F.R. §1.137(c) does not require any terminal disclaimer to be filed.

Applicant earnestly solicits an expeditious revival of the subject application.

Respectfully submitted,

Paul Teng, Reg. No. 40,837
